

Woodlea Primary School Online Safety Curriculum

Reviewed by	Head and Governing Body
Reviewed in	30 th November 2021
Status & Review Cycle	Bi-annually
Next Review date	Autumn 2023

Introduction

Online/E-Safety is an important aspect of our computing, PSHE and safeguarding at Woodlea. Through lessons, visitors, experiences and dedicated theme weeks to Online Safety, we equip children with the skills and knowledge to keep them safe whilst online. This includes spotting dangers and threats to their safety, but also their mental wellbeing associated with online activity (including, but not limited to, social media).

Safeguarding

Safeguarding against all potential threats to safety, including online, is a key priority for Woodlea Primary School. We firstly address this through the PSHE curriculum (as mentioned above) but we also dedicate time in our school year to focus on Online safety as a whole school. This is achieved by our annual Online safety week in the Spring term. Children will have assemblies on Online safety for that week, have specific PSHE lessons on Online safety and will share their learning with the whole school at the end of the week in a sharing and reflective assembly.

As part of our Online safety message, we equip children with a whole school mantra of 'Zip it, Block it, Flag it' as an easy to remember but essential tool to keep children safe online from inappropriate content. (See Appendix B)

Not only do we have our own Woodlea tailored assemblies on Online safety, but we invite the NSPCC in yearly to do a safeguarding assembly and workshop with the children which includes online abuse as a strand of what they cover.

PSHE - SCARF

As part of our PSHE curriculum, delivered through Coram's SCARF scheme, we address Online safety and issues associated through online activity in the lessons covered. We create strong links between the real world and virtual world and apply good social practices to all settings. See Appendix A for a break down in where lessons appear in our SCARF programme.

Computing

Our 'Teach Computing' curriculum also supports the PSHE curriculum with addressing Online safety. This includes looking at how the internet it used, which information is reliable/appropriate and exploring different methods of online communication and how to keep safe. (See Appendix C)

Appendix A:

A breakdown of the SCARF Curriculum and which lessons address Online safety in some form. A full break down of SCARF can be found with our PSHE policy.

Key: OR = Online Relationships,

ISH= Internet Safety and harms

Year I		
Unit: Keeping Myself Safe		
DfE Statutory Requirements	SCARF Lesson Plan title	SCARF Lesson Plan
 end of primary statements 		Learning Outcomes
RR8,OR1-5, BS1, 2, 6	Sharing pictures	 Start thinking about how
ISH 1, 3, 5, 7		to stay safe online, including
		safety around sharing images;
		•Identify people they can trust
		to
		help if they see something
		online
		that makes them feel scared or
		uncomfortable.

Year 2		
Unit Rights and Responsibilities		
DfE Statutory Requirements	SCARF Lesson Plan title	SCARF Lesson Plan
 end of primary statements 		Learning Outcomes
OR 1-5	Playing games	•Know the importance of
BS 1, 2, 6		keeping personal
ISH 1, 2, 3, 5, 7		information private, when
		online and only talking to people they know in real
		life;
		 Know that they can tell an
		adult they trust if anything
		happens that
		makes them worried.

Year 3

Zip it, Block it, Flag it!

We expect all children to be able to explain how they can keep themselves safe online. The UK Council for Child Internet Safety has developed the Click Clever Click Safe campaign based around 3 simple and easy to remember principles: Zip it, Block it, Flag it. Children will be taught these 3 principles and will be expected to explain what these mean in terms of their age and understanding.

	Zip it	Block it	Flag it
EYFS	We don't share our names, where we live and what school we go to. Online friends are still strangers	Switch off if you see something that upsets you.	Tell an adult if you see something online that upsets or scares you.
KSI As EYFS and	We never meet up with someone we have met online. People online may not be who they say they are.	If someone is mean or sends nasty messages online, block them.	Tell someone you trust if anything upsets you or if someone asks to meet you.
LKS2 As EYFS, KS I and	Always use a nick- name instead of your real name Use an avatar instead of your real picture. Keep personal stuff private. Think about what you put online.	Don't open attachments or messages from people you don't know.	If someone you know is being nasty to someone online, speak to a parent or a trusted adult about it.
UKS2 As EYFS, KS1, LKS2 and	We make sure our privacy settings are set to the highest level	Always delete emails from people you don't know, and don't open attachments or messages from people you don't know.	Report unkind or threatening content to external agencies such as CEOP or social media providers.

Appendix 3

Computing Curriculum – Areas addressing the internet. For full Computing curriculum, see Computing Policy.

Year 4	Year 5	Year 6
The internet	Sharing information	Internet communication
To describe how networks physically connect to other networks To recognise how networked devices make up the internet To outline how websites can be shared via the World Wide Web (WWW) To describe how content can be added and accessed on the World Wide Web (WWW) To recognise how the content of the WWW is created by people To evaluate the consequences of unreliable content	To explain that computers can be connected together to form systems To recognise the role of computer systems in our lives To recognise how information is transferred over the internet To explain how sharing information online lets people in different places work together To contribute to a shared project online To evaluate different ways of working together online	search engine To describe how search engines select results
