“Darkness can not drive out evil, only light can do that. Hate can not drive out hate only love can do that.” Martin Luther King Jn

Young Voices

It seems fitting that many of our Year 5 and 6 children took part in the Young Voices concert, which celebrated a collective sense of hope and possibility, in the same week as people around the world remembered the birth of Martin Luther King Jn and the messages he sent about his dreams for the world he wanted children to live in. It was a privilege to be part of such an inclusive event with over 8000 children from schools across the country. To sing at the O2 with accomplished artists, such as the 13 year old drummer Nandi Bushall, and performers, such as the MC Grammar and Urban Strides, will be an inspiration to our children as much as it was to us as adults. Thank you to those parents who were able to come to support the children. We know you enjoyed it as many of you have taken the time to email in with your appreciation for the school giving the children this opportunity. It was our pleasure to take the children. Their behaviour was exemplary the whole day which makes our jobs very easy. I want to particularly thank Mrs Piscina for organising the booking and travel and for joining us on the trip.

If you are entitled to universal credit, please do make sure that you come and make us aware in the school office. This means that we can access more funding for the school and for your child.

Our first events last half term were well received by parents and presented the opportunity for everyone to learn a bit more about mental health, their children and themselves, gave everyone opportunities to network and support each other.
