Parking: Thank you to the vast majority of families and parents who respect the parking when dropping off and collecting your children. As I said to the children in assembly this morning, the vast majority of children and people in society follow the rules and laws set and are respectful.

Sadly, a few of our parent community are disrespectful of the neighbourhood which Woodlea is part of and in some cases are putting our children at risk.

A resident of Long Hill had their gate damaged by a parent reversing into it this week. This was on the private road section where none of our parents should be. This is impacting the school's relationship with the residents of Long Hill which is negatively impacting the school.

I am always courteous to those parents who need reminding not to park on the private section of Long Hill, but ultimately if I am not out, those parents think it is ok to do this. **It is not ok for any reason.** It is a private road, and you need to park elsewhere. As the headteacher of Woodlea, my focus should be on the teaching and learning of your children, not supervising parking.

We have attached the previous parking letter and map.

PLEASE ADHERE TO THIS.

Year 3 Roman Day

"Roman Day was the best day ever! In the morning, we played Delta a Roman game where you flicked 3 counters to score points using Roman numerals. We also did a Roman quiz and looked at artefacts as well as trying on armour. In the afternoon we trained as soldiers of the Roman army. We learned Latin words to follow the commander's instructions. Finally, we learnt to be gladiators. We used swords to 'fight' each other to the death (not really). The whole day was lots of fun and Felix our Roman teacher was amazing."

Early Years Expansion to Entitlements -

Parent/ Carer Survey

Surrey County Council are asking parents/carers to take part in the survey below. It is important to gather parents/carers views regarding early education and childcare for 0-4 year olds and also for out of school childcare provision for 5-11 year olds during school term time. This will help them to make sure they have enough high-quality education and childcare and wraparound places for everyone that needs them.

Please click on the link below to complete the survey.
