Woodlea Word

“Every day is a change to be better”

I really can not believe it is Friday already and we are heading into week five of the term. Thank you Year 3 and 4 parents for your support with the cloakrooms. The children are keeping them much tidier and I have not picked up an un-named jumper all week. We had our first fire drill this week and the children were outstanding. One of our new members of staff commented on how lovely it is to work in a school where the children behave so well during a fire drill by walking out silently and calmly.

PTA AGM: Thank you to all the parents who were able to attend the AGM on Tuesday. It was a really good turn out with lots of discussion. I am sure the new committee will be sharing their plans with you. I would like to thank the out-going committee who have served the school so well over the last few years and made such a difference to the life of the school and the resources the children have.

Learning: Ranger Stu comes to Woodlea!

On Wednesday afternoon Year 1 welcomed Ranger Stu and his animals to support our learning in Science.

We were amazed to learn about the Pancake Tortoise, Bearded Dargon, Python, Tenrec, Armadillo, Tarantula and Scorpion and learn about their habitat and diet, as well as getting up close. We also learnt that Ranger Stu rescues animals and keeps them safe in his zoo which was of real concern after reading the story 'There's a Rang-Tan in My Bedroom'.

Please remember school attendance is mandatory. Holidays should be planned for school holiday times to avoid missing school time.

If your child is absent, you must notify the school office every day before 9:10am at the latest.

Universal Credit

Did you know that the school receives extra funding for every child that is entitled to universal credit?

If you are entitled to universal credit, please do make sure that you come and make us aware in the school office. This means that we can access more funding for the school and for your child.

HELP NEEDED

Calling for any volunteers that might be able to help put up a shed including the base? The shed will store resources for the Outdoor Area. Please let the office know if you are able to help. Once we have a list of volunteers, we will agree a date and time for it to be constructed. We would be most grateful for any help that you can give.
