## Introducing the new Woodlea PTA

### What is a PTA?

A Parent Teacher Association aims to promote cooperative partnerships between the school and parents and engage in activities that provide facilities and equipment to support the school.

These aims are achieved through collaborative efforts and a shared commitment to enhancing the educational experience for all students.

### New Trustees

The September AGM welcomed a new team of parents to the Woodlea PTA who will join forces with existing members to grow on the work that has been done.

We will continue fundraising and seek out opportunities to gain extra funding from other avenues to increase the income.

All the funds raised by the PTA will be fed back in to the school to support our children's journey through primary school offering additional learning support and enrichment activities.
