Creating a collaborative Woodlea PTA

Parent, Teacher Association

A PTA is a group of volunteer parents and teachers who work together to make their school a better environment for children to learn. We will raise extra funds through fun and creative initiatives, events, and much, much more.

Thank you for your support

Upcoming Events

- February School Disco

Tickets on Sale now

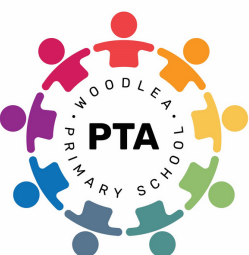

The disco tickets are available by completing the online form and sending the £7 payment to the PTA account.

This year we have removed the need to send children in with tuck shop money – everything is included in the ticket price.

The Friday will be a normal uniform day but the children will be able to change clothes after school to let them shine bright at the glow disco!

What are we raising money for?

Outbuilding

The PTA would like to create additional space using an unused area within the grounds of the school.

Could you get funding to help?

Does your company offer charity donations?

Can you get match funding if you do something for charity?

The purpose of the new space will be to provide additional areas for school to use and increase the activities run by the PTA.

We need as much help as we can get to raise the money for this project. Please consider if you can help, either with ideas or financial opportunities.

We also need help with the drawings as we will need to submit an application to the council – do you have the skills to help?
