- ▶ If someone different is picking your child up or you are running late, please let the office know via email or the phone and they will pass the message on to us.
- ▶ We are still putting in place the good practice we started during the pandemic. We encourage the children to maintain good personal hygiene e.g. sneezing into their elbow, washing/ sanitising hands regularly.

# Absence and Lateness procedures

## Absence:

- ▶ Parents are asked to inform the school of all absence on **each day** of absence by personal contact, letter, email or telephone.
- ▶ Notification of the nature of the illness and the expected length of absence is also expected.
- ▶ For medical or other appointments during the school day notification is required **in advance**, where possible these should be arranged out of school hours. Appointment cards/emails/texts must be shown to the school.
- ▶ The office will make contact with the parent/carer of any child who is not in school for whom we have not received an absence message for by 9.15am.

## Lateness:

- Children who arrive late (after 8:50 but before 9:10) must report to the office.
- If they arrive after 9:10 they should be **accompanied by an adult to the office** where they will be signed in.

# Communication

If you have a concern / worry / question we are here to listen.

As you know you can just email the school office to arrange a time to chat in person with the member of staff or arrange a meeting via teams: [info@woodleatlt.co.uk](mailto:info@woodleatlt.co.uk)

This helps us to:

- ▶ give you/ your child the time and focus you need.
- ▶ do any investigation which might be needed.

First port of call is always the class teacher unless it is feedback or a wider school concern and then a member of the senior leadership team should be referenced.

Please do give us time to respond as we are all teaching during the day.

# Absence and Lateness

We understand that illness does occur, and events happen where you might run late, however the research is clear about the importance of attending school and being on time.

The pupils with the **highest attainment at the end of key stage 2 and key stage 4** have **higher rates of attendance** over the key stage compared to those with the lowest attainment.

# Curriculum & Enrichment Activities - Phonics

We will continue to work on learning sounds that were started in Lambs.

In Year 1 we focus on phase 5 sounds.

There is a Year 1 phonics check in June. Children will be tested on their reading of 40 words, some are real and some are not real. Children need to recognise the sounds in the word, sound them out and blend together to make the word.

We follow Little Wandle SSP. It is one of the DfE's approved phonics teaching programmes and aims to help all children learn to read in a fun and accessible way (Fridays books)

# Curriculum & Enrichment Activities - Reading

Books will be changed on **Monday, Wednesday** and **Friday**. Please read and re-read with your child.

On **Mondays**, the children will bring home a book they have chosen to read with you! With this book you could read to them or read with them.

On **Wednesdays**, the children will bring home a book with a reading level

On **Fridays**, the children will bring home a book that they have read in their reading groups throughout the week. They'll know the text very well so questioning from you would help them understand the text even more!
