**Dear Woodlea Families and Teachers,**

As we wrap up our first year as a newly formed PTA team, I wanted to take a moment to reflect and say a heartfelt thank you to everyone who has supported us — parents, teachers, staff, volunteers, and the wider Woldingham community.

This year marked a fresh start for the PTA at Woodlea, and we've approached it as a truly collaborative team. While titles and roles may exist, what has mattered most is the willingness of people to step forward, lend a hand, and share ideas. The PTA team has been truly amazing, and the school has been incredibly supportive of our approach — we're so grateful for their close partnership.

Thanks to your generosity and involvement, we've raised valuable funds for the school. From new events that brought extra fun to usual favourites with a fresh twist, it's been a year of growth and success.

We're proud of what we've achieved together — and even more excited about what's to come. With your continued support, we hope to introduce new events and improvements in the coming year, always with the goal of creating fun for the children and grown-ups at Woodlea.

This year, we've seen parents offer up expertise from within the Woodlea community — from marketing professionals and an interior designer to parents who completed food safety training to support our events. Others have secured charitable donations through their employers. We're truly grateful for all of this support and welcome any level of involvement.

We've also seen greater engagement from the wider Woldingham community, and we'd like to say a big thank you to The Glebe, the Parish Council, and the Tennis Club for their support. We look forward to continuing to work closely with the village.

Finally, thank you again for your ongoing support of the PTA. Whether you baked a cake, ran a stall, made a donation, shared a suggestion, or simply showed up — you've helped make a difference. Everyone is welcome to get involved.

**Warm regards,**
