# Woodlea Word

**Second Sunday of Advent: Peace** - "A deep sense of well-being and connection that touches our hearts and our communities"

It is a busy weekend for our PTA, and we hope to see many of you at the **Woodlea Christmas Fair** on Saturday and at the **Woldingham Carols** in the evening. At this time of year, when our days and thoughts can become filled with the rush and hype of an increasingly commercialised Christmas, it can be hard to find time to appreciate the important things—such as the feeling of a connection with others and the support a community can give. Finding peace at this time of year can be a real challenge, but we hope that some of you will be able to find a moment to pause and reflect over the coming weeks.

## Santa Dash

The children had fun taking part in the daily mile Santa dash.

Year 4 are currently taking part in a geography fieldwork investigation to find out whether there is more noise pollution in Caterham or Woldingham. On Monday, we visited Caterham to collect data to help us test our predictions. We visited four different locations and using our data loggers, recorded the sound levels in decibels while also counting the number of vehicles that passed us. From the evidence we gathered, it is clear that Caterham definitely has more noise pollution!
